

Demonos Monthly Rag

March 2009

February's almost gone and March is full of surprises. Hope everybody did well at the swap meets, both buying and selling. The Corvette swap meet did well and believe it or not there were more hot rod, performance parts available this year for non-corvette cars. But the following weekend, if you were lucky to find a parking place, it was the Early Bird Swap Meet. And they mean be there early. The place was packed and the weather was a lot warmer than the previous week. There were a lot of members roaming the grounds and it was good to see everybody having a good time.

Coming in March you'll have a couple of other chances to get that last part you need to get you rod on the road. March 8th is the Performance Swap Meet, and March 14th and 15th is the Almost Spring Swap Meet. (see Swap Meets for more info). Also coming up is the 37th Annual Boise Roadster Show, March 12th – 15th. Ted will be taking the Orange Crate and will be looking for volunteers, if you're willing, to help spruce up the crate before the show.
