June was a busy month with the start of Bridgeport Daze, June 5-6 in Bridgeport, Washington.
By the pictures and talking to people who went, it sounds and looks like everybody had a great time. Time to plan for June 4th and 5th, 2011. See more pics on the next page.

The Fireworks Tent went up, grass was cut and trimmed, with unload day on June 26. Sales started Monday, June 28. Thirty-five (35) club members worked the tent this year, and we had another successful year. There will be a report-out at the August 5th meeting. Thanks to all who supported our fund raiser.

July 17th was a Garage Plus Car Show, this time at the new Spanaway location on Mountain Highway. Gary Scheibal took the Participants Choice four foot tall trophy and $250 clams. Most Outrageous Ride went to non-other than “ShowBob” MacConnell. Jerry Hasard took Best Unfinished, and Ken Thompson was present.
July 23rd – 25th was the 23rd Pacific Northwest Nationals at the Puyallup Fairgrounds. About thirteen members attended the event, but were scattered everywhere throughout the fairgrounds. There were about 2700 plus cars this year and the weather was just fantastic. Maybe next year the club could organize the members to all park together and display our banner proudly. The 24th Pacific Northwest National will be July 22,23,24, 2011. If you are a Goodguys member and send in your registration before December 31, 2010 it is only $40. If you are not a member and do not want another magazine (Goodguys Gazette) then it is $60. Remember that’s two adult tickets and as many kids tickets as you need. Paul, Jerry and Joe all had extra adult tickets if you just wanted to walk in, but there were no takers.

On August 1st, Paul and Larry attended the 24th Annual Prairie Street Rod Association Show and Shine Cruise in the Park in Yelm City Park. There were more cars than anticipated this year, but still fun was had by all. Larry Holien took Best Pre 40’s Pickup. Congrats Larry.

Here are some club member projects that were in progress before the newsletter and are motoring the road today.

Len Morrison’s Delivery was at Goodguys all primered.

Bill and Jerry working on a Roadmen’s new edition.

Todd Gallants ’34 Ford painted and ready to roll.
