Members of the Month

Editors Note:

I would like to take the opportunity to thank the many members who took their time to provide me with pictures, notes and correspondence for the Demonos Monthly Rag. It's a new year coming in 2010 and it would be really cool if I could get some historical pictures from the folks who have been in the club since the beginning. Any pictures from the reunions would also be great. Remember this publication and the web site belongs to the members, and it's a great way to show everyone our history as well as our current events.
